Title : FOCAL PLANE PROCESSOR FOR IR DETECTION

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

The above-referenced application was filed October 12, 2004. Applicant improperly claimed small entity status.

Specifically, small entity status was originally claimed in good faith. This original filing was based upon a misunderstanding as to the status of the owner of the application. This misunderstanding and mistake in filing was made without deceptive intent on the part of Applicant or Applicant's representative. As such, Applicant respectfully requests that the filing status be switched to large entity. Applicant has accordingly enclosed a check for \$491.00 so as to pay the appropriate large entity fee which should have been paid upon filing on October 12, 2004. An itemization of the deficiency payment as required in accordance with 37 CFR 1.28(c) is attached.

If additional fees are required, the Commissioner is authorized to charge the additional fees to Deposit Account 01-2221.

If the Office has any questions, or if additional information is required, the Office is urged to contact the undersigned at (703) 920-1122.

Respectfully submitted,
